1. **Authority / Introduction**

The Community Inc. referred to hereafter as the Operator, conducts and promotes “Saturday Mega Bingo” games in accordance with the permit issued by the Department of Revenue and Taxation in Guam.

“Saturday Mega Bingo” is a game with a fixed drawing date wherein the total number of Saturday Mega Bingo cards produced, and the number of winning Saturday Mega Bingo cards are recorded on the Saturday Mega Bingo Prize Files.

2. **Definitions.**

2.1 “**Subscriber**” means a person who purchases and/or plays a Saturday Mega Bingo card.

2.2 “**Retail Agents**” means person(s) or corporation(s) appointed by the Operator to distribute “Saturday Mega Bingo” cards for The Community Inc..

2.3 “**Rules**” are these rules and includes any Appendices and Revision Schedules hereto.

2.4 “**Saturday Mega Bingo card**” is a ticket issued by an authorized selling terminal, and the ticket’s details are recorded on the Operator’s host computer system.
3. **HOW SATURDAY MEGA BINGO IS PLAYED**

The objective of the game is to match the numbers on the subscriber’s card with the six (6) Mega Bingo numbers and two (2) Bonus numbers drawn each Saturday night in Melbourne, Australia by an operator licensed by the Australian State Government. The drawn numbers will be displayed on Docomo TV channel 10 at approximately 9.15 PM draw night, and will be publicized at all selling outlets the day after the draw.

A subscriber’s card always has a total of six (6) lines of six (6) numbers ranging from 1-45. There are a total of thirty six (36) numbers on every card.

At the time of purchase from an authorized retailer, a subscriber selects one of two ways to play -

1. A “Single Play” entry that costs $9.00 per card, and whereby ONLY the six (6) horizontal lines are eligible to win a prize.
   With this type of play, each card has a total of six (6) chances to win a prize.

2. A “Double Play” entry that costs $17.00 per card, and whereby both the six (6) horizontal lines and the six (6) vertical lines are eligible to win a prize.
   With this type of play, each card has a total of twelve (12) chances to win a prize.
4. **PRIZES TO BE WON**

4.1 A subscriber must match one of the following patterns on any one card to win the corresponding prize. There are a total of six (6) prize levels to be won. To win a prize, the following patterns need to be on the same one (1) horizontal line for a Single Play. For a Double Play entry, the winning pattern must be on the same one (1) horizontal line or on the same one (1) vertical line. An individual prize CAN NOT be won using more than the before mentioned one (1) line.

**Grand prize** - All six (6) “Saturday Mega Bingo” numbers. *Does not include the bonus Nos.*

**2nd Prize** - Any five (5) “Saturday Mega Bingo” numbers PLUS Either Bonus No.

**3rd Prize** - Any five (5) “Saturday Mega Bingo Nos.” *Does not include the bonus Nos.*

**4th Prize** - Any four (4) “Saturday Mega Bingo Nos.” *Does not include the bonus Nos.*

**5th Prize** - Any three (3) “Saturday Mega Bingo Bingo Nos.” PLUS Either Bonus No.

**6th Prize** - Any one (1) or two (2) “Saturday Mega Bingo Nos.” PLUS BOTH Bonus Nos.

4.2 The highest prize is always paid and a line may only have one winning pattern. A subscriber does not necessarily need to have the pattern in the same order as displayed by the Draw – The subscriber only requires to have the correct amount of Saturday Mega Bingo numbers on any one line of his/her card to win. The Grand Prize and Rolldown Prize are shared equally if there is more than one winner. The prize paid in all other prize levels is determined by the Operator and the prizes are NOT shared. The subscriber receives the full amount of the prize listed.

4.3 The Operator from time to time may introduce further prize levels in addition to those referred to in Rule 4.1.

4.4 The Operator from time to time may conduct a Bonus Draw. A Bonus Draw is where a Subscriber of a “Saturday Mega Bingo” card is not entitled to receive a cash prize in accordance with Rules 4.1 and 4.3, but the Subscriber is given the opportunity to participate in a second draw by entering such card in a lucky draw to be held by the Operator for a prize nominated by the Operator.

4.5 **PRIZE ROLLDOWN DRAW:**

The Operator from time to time may conduct a “Prize Rolldown Draw.”
A “Prize Rolldown Draw” is where the Operator nominates that if there is no Grand Prize winner in a particular draw, the Operator elects to allocate and pay the Grand Prize to the second prize level, or if there is no second prize winner the prize may be allocated to the third prize level. The Rolldown Prize may be won outright, or if there is more than one winner, the prize is shared equally. The Grand Prize amount will be added to the second or if applicable, the third prize amount, thus any winner will receive both the Grand Prize and their respective other prize.

In the event there is no second prize winner in a nominated Saturday Mega Bingo “Prize Rolldown Draw”, the amount of the Rolldown Prize will be allocated by the Operator in a future game draw. This may not necessarily be a Saturday Mega Bingo draw.
